Join us from 3:30pm to 4:30pm on the 3rd Tuesday of every month for North Florida Regional Medical Center's Healthy Aging Speaker Series at the Tower Club Ballroom on the campus of The Village at Gainesville. Speakers range from physicians, pharmacists, and other professionals. The topics covered focus on health and aging and offer an opportunity to ask questions to the experts.

Presentations are open to the public.

Check the calendar on NFRMC.com for the schedule of speakers, topics, and registration information for each month.
